DUNS SWEDEN uses 100% certified organic cotton!

The cotton used by DUNS SWEDEN is certified by GOTS. That guarantees that the cotton is produced under the standard for organic cotton set by GOTS - Global Organic Textile Standard.

Presented above is our own logotype for organic cotton and in the lower left corner you can see the official GOTS logotype.

One of our producers is, part from being GOTS certified, also FairTrade-certified.

DUNS SWEDEN uses non-toxic, continuously controlled, colors. The dyeing process is executed in closed systems. The residual is controlled by very strict rules set by the Indian government.
